N O T I C E

Please don't park on our verges!

You are most welcome to visit our lovely village, but could we please ask you not to park on any grass areas, as these are easily damaged.

Parking is available on the **Village Hall car park**, and if this is full, please park (cars or small vans only) along the edge of **The Green** or **Bourn Road**, ensuring you park in close to (but not on) the verge.

Thank you!

Kingston Parish Council
