Easter Letter

We're here in the season that gives meaning to all seasons, for without Easter there would be no Gospel, no message, no Church, no faith. We could, it's true, still talk of the birth of Jesus, his life, his ministry and his death. But without the empty tomb and the Risen Christ, all this would finally be a tale of tragedy, not triumph. A mirror of this world's ultimate impermanence, rather than a window into the eternal purposes of God. So it's no wonder we celebrate Easter. What better way to do that than to think about those whose lives were transformed by the first Easter and, through reflecting on their experience, to meet with the Risen Christ afresh. An astonishing transformation had taken place – the resurrection of Jesus from the dead!

To the disciples and followers of Jesus the events they had seen in the days leading up to Easter spoke only of death, tragedy, sorrow and disaster. There seemed to be no hope left for them. Their adventure of faith died with Jesus and their dreams went with him. But suddenly it all turned around – women went to the tomb and came back saying Jesus wasn't there. Two men on the road to Emmaus declared that Jesus had met them and broken bread with them. And then, as the disciples huddled together in the upper room, Jesus appeared amongst them – risen and victorious. It seemed too good to be true but it wasn't - Jesus is alive!

Easter Blessing,
Fiona

Editor's Note

What a difference a few dry, sunny days make! I have been lucky enough to be walking the dogs in the warmth and see the countryside waking up from a miserable winter. One surprise has been the number of violets which seem to be growing in our hedgerows and by footpaths nowadays. When I was a child these were a regular feature but over the years they seemed to die back. It is so good to see them proliferating again.

Please take note of the fact that it has been necessary to postpone the Auction of Promises from 2 April to later in the year. Watch this space for the new date and see if you can come up with more promises and, in particular, rope your friends to come along when the new date is set. The cause of restoration for our Church is a very worthy one and Torrie deserves our support for all his hard work.

As you will see the pub evening will be on the second Saturday of the month, just for April. This will be followed in the village hall by a Pudding Evening – more details later in the magazine. This has proved a great event in the past so do please come along and experience the fun first hand!

As you will have seen, I am stepping down from the editorship of the magazine once a replacement has been identified so this may well be my swan song. It's been most enjoyable but would be even better with lots of support from the "silent majority". Pick up your pens (or pull out your keyboard) and write to me (for the moment) sending articles, letters, recipes, etc for inclusion in future magazines.

Have a great month!

CHURCH WORK DAY – Saturday April 9th

Our first work day this year will take place on Saturday April 9th, 10am – 1pm and 2pm – 5pm. The main task will be to dig out ivy in the churchyard prior to seeding with grass. Many hands make light work. Further information from Peter Reynolds (262094).

From The Parish Magazine, May 1892

This week, beginning April 24th, the usual Sunday morning was broken by the shrieks of the engine whistle and all the bustle incidental to a railway accident. A Droitwich salt wagon, owing to a broken axle, left the rails above Bourn Bridge. The driver, with consummate skill and presence of mind, gradually slowed the train for a distance of a mile and a quarter, and then pulled up, thus probably saving his own life and that of his mates. The permanent way was considerably ploughed up. At 10.00 a.m. the breakdown gang arrived from Bletchley, and by the aid of their crane hoisted the disabled wagons on others and gradually towed them down to Cambridge.

Auction of Promises - Saturday 2nd April - 7.00pm - Bourn Village Hall in aid of Kingston Church Restoration Fund

Auction of Promises - POSTPONED

Sadly Robert James, the auctioneer who was conducting the auction, has been taken very seriously ill and will not now be able to officiate for the auction. In the circumstances we have come to the conclusion that the best option is to reschedule the auction to take place in September or October. Please watch this space for the new date when we anticipate that virtually all the lots already promised, plus more, will be on offer.

One promise has a specific date - **2 tickets for Pride and Prejudice at Stamford Tolthorpe Theatre on Monday 20 June 2011 at 7.45 pm**, including picnic and a bottle of fizz to be taken in the beautiful garden. The performance takes place in one of Europe's finest open air theatres, with the audience under cover! *Please let me have your sealed bid for this lot by Thursday 28 April.*

There will be a bar and coffee and tea will be served at the end of the meal. It will be great to see you on the evening. Annual Village Hall Work Day

The Village Hall Working Party is planned to take place on Saturday 21st May. For those with a practical bent please put this date in your diary and volunteer your services to Torrie. Please don't wait to be asked!

The Annual Working party cuts down significantly on the costs of maintaining the village hall and thus has a direct influence on how much money we need to raise from the village to keep the hall going.

Parish Council News

Bus services: we have been advised that as a result of budget restrictions, two of the Friday and Saturday no.18 services are to be discontinued from 17 April: the 19:08 from Kingston to Cambridge, and the 23:15 from Cambridge back to Kingston. We have strongly protested about the cancellation of the late night bus from Cambridge as we know this is in much demand from people returning from a 'night out'.

Playground: the bark chippings and timber edging under the double swing have been removed and the area filled with soil, and seeded. Protective matting is in place to protect the grass. The swings have been removed temporarily and barrier tape placed around the area to protect the new grass until it becomes established. When the swings are replaced, you will see a new toddler swing to replace the old one, and a new normal seat to replace the old tyre seat.

More trees are being planted, and drainage holes have been drilled in the tunnel to reduce the problem of puddles inside the tunnel.

A Work Day is being organised on 7 May for which volunteers are needed – see separate notice in this magazine.

Kingston Oil Club

A number of villagers are now benefiting from this, and the Parish Council has received its first modest 'kickback' cheque of £40 which will be spent for the benefit of us all. For more details of Kingston Oil Club, go to <http://www.kingstonvillage.org.uk/KingstonOilClub.html>

Kingston Community Plan

The Government wants every community to have more control over their lives, to say what they want doing in their own community or Parish and where possible work with other organisations to get it done.

A Community Plan will give everybody in Kingston an opportunity to have their views heard and to produce the plan we hope to reach everybody who lives in the Parish.

There are many issues that affect the Parish and the people who live here. We may be happy with the way matters are at present or there may be a need for change. However we are not unaffected by changes in policy from both Local and National government and we need to be able to speak from a position of strength and agreement. A Community Plan would help with this.

A short but not exhaustive list includes:-

- Transport
- Housing
- Health Care
- Local Amenities – Open Spaces, Recreation Grounds, Allotments, Village Hall
- Environment
- Facilities for the Young and the Elderly

The Parish Council supports the idea of a Community Plan; however the plan has to be produced by the whole community and will not just represent the views of the Parish Council. For the plan to go ahead we need a group of people interested and with enthusiasm to follow

the process through. We are looking for a group of five or six people to join a representative from the Parish Council.

There will be more information available at the May Village Meeting, but, in the meantime, if you are interested in finding out more or would like to help, please contact **Tim Fitzjohn**, 01223 263446 or e-mail tfitzjohn@btinternet.com.

E-Cops Speedwatch

I have been asked by members of the public regarding how to become a Speedwatch volunteer.

The Speedwatch scheme allows members of the public to get actively involved in monitoring the speed of vehicles travelling through their villages. It is used in areas, such as yours, where speeding has been identified as a problem by the community.

Full training will be given to those who wish to volunteer to carry out speed surveys. Information gathered from these checks is used to deliver warning and education notices and influence subsequent enforcement activity. For more information, please visit - www.cambs.police.co.uk/roadsafety/speedwatch/index.asp or contact us on 0345 456 4564

Comberton Village College

THERE are plenty of laughs to be had at Comberton Leisure this spring and summer.

The popular monthly Custard Comedy showcases some of the funniest up-and-coming comedians and offers the local community the chance to see stars of today and tomorrow without having to trek to some of the big city venues.

APRIL'S HEADLINER IS MATT WELCOME ('ONE OF THE BEST COMICS YOU'VE NEVER HEARD OF!' - CHORTLE. HE IS SUPPORTED BY CHRIS BROOKER, WHO THE BBC DESCRIBE AS 'VERY FUNNY, VERY QUICK ON THE SPOT HUMOUR'. THEY ARE JOINED BY THE MUSICALLY GIFTED JAY FOREMAN, WHILE COMPERE FOR THIS SHOW IS OUR OLD FRIEND, CHRIS MCNEILL ('AN EXPERT STORYTELLER WITH SPLIT-SECOND COMIC TIMING' - INDEPENDENT ON SUNDAY)

Matt Kirshen, described by The Scotsman newspaper as 'a rollercoaster of comedy genius', Stan Stanley (Stan Stanley can shake a crowd with his

energetic pace - The Daily Telegraph) and Mickey Sharma (In years to come you'll be saying 'I was there' – Henry Paker, MC) are on the bill in May.

Then in June it's the turn of Barbara Nice (As hilarious as it is possible to get' - The Scotsman) and Tom Bell, with Gareth Berliner as the acclaimed MC.

Tickets for Custard Comedy are available at a reduced price in advance from Cb3 Reception at Comberton Village College or on the door.

For people in need of social care, Self-Directed Support gives them choice over when and how they are supported to live their lives. A new film called *It's all about us!*, made by a group of individuals who use social care services, their carers and social care professionals together with Stories Projects in Film and Cambridgeshire County Council, shows how Self-Directed Support really can change lives. It demonstrates how despite age, disability or ill health, Self-Directed Support enables people to lead a life as fulfilled as possible.

You can loan a copy of the film from your local library. The stories featured are also available on the County Council website at www.cambridgeshire.gov.uk/social/selfdirectedsupport/

If you think you may be eligible for social care support you should phone Cambridgeshire Direct on 0345 045 5202, or if you have a mental health need speak to your GP.

Libraries under threat

Cambridgeshire County Council are cutting funding to the Library service. No surprise there, we have to accept cuts in all areas of public funding in the current economic climate.

The Council, as one of their approaches to cope with these cuts, have identified 13 branch libraries (see bottom) across the county from which they aim to make a combined total of £200k p.a. in savings. There is a real danger that they will see closure of some of these branch libraries as an easy way to effect these savings. Once a branch library is closed, we can be pretty sure it will be lost to the community permanently.

Please join the campaign against closure of branch libraries in Cambridgeshire.

Please sign the online petition at the link below:

<http://www.gopetition.com/petition/43867.html>

And finally, please pass this message on to your Cambridgeshire friends, family and colleagues, and ask them to sign too!

Thank you!

13 libraries have been selected for priority consideration for exploring the options for changing the library infrastructure, as outlined above. These

libraries were selected following an initial assessment of community need and library performance. These are:

Bar Hill, Buckden, Comberton, Cottenham, Great Shelford, Linton, Milton Road, Rock Road, Sawston, Sawtry, Warboys, Willingham, Yaxley

Hearing Dogs for Deaf People – Cambridge & District Branch

Your local branch is now planning to try and raise both awareness and funds needed to support the charity with its very worthwhile and much needed work during 2011. We will be attending some local village fetes and feasts as well as putting on our own events to which you are all invited. So far this year I have taken part in "The Grim Challenge", which is an 8.5-mile run over an army vehicle testing range through mud and water, and the Adidas Silverstone Half Marathon. The charity can provide places in many challenging events and I have my sights set on the Hadrian's Wall Walk and the Coast-to-Coast Bike Ride or maybe a mountain challenge. For details of the challenges that you could undertake please check out our website www.hearingdogs.org.uk. Alternatively if you would like to sponsor me to take part in one of the events please let me know.

Locally we are planning a sponsored event in **Milton Country Park on Sunday 5 June**. In addition to taking part in a sponsored "**Stroll in the Park**", there will also be a chance to "**Jog with your Dog**" – this part of the event will take place at 10.00am and entries for this must be made in advance. The whole event will take place between 10.00 am and 4.00 pm. We would like to encourage you to come along with your dogs and family and enjoy the event whilst raising much-needed funds for our charity. There will be medals for those who complete the course and a treat for dogs at the finish point. On the day there will be a giant tombola, Hearing Dogs merchandise, puppies in training, working partnerships and much more. There is an excellent café where, after your walk, you can sit back and enjoy some refreshments or alternatively stock up at the café before you start so that you can enjoy a picnic en route. There are plenty of seats along the way so that you can stop and enjoy the scenery and all that the park has to offer. The site is very child and dog friendly. The routes of 2 miles and approximately 5 miles will be well marked and maps will be available. The majority of the route is very wheelchair and pushchair friendly and is generally flat. Cost per participant is just £2.00 for either the jog or the

stroll but we hope that you will obtain sponsorship to increase the amount raised for the charity. Car parking charges of £2.00 will also apply. Please come along and support us.

In September we will be staging a fashion show where there will be well known brands of clothes at very reasonable prices – more details of this will be available later in the year

Finally, we have a network of speakers available to come and talk to groups – if you would like to hear more about the work of our charity or would like to help us in any way please give me a call.

BISHOP'S LENT APPEAL 2011

For the Bishop's Lent Appeal 2011, parishes are invited to support the Bible Society.

The Bible Society's China Project provides several million Bibles a year to Chinese Christians, many of them new to the faith, at affordable prices. It is approved by the state of China and the China Christian Council. The ability to own a Bible is not only a transforming experience for Christians: it also gives them a tool for evangelism.

Bishop Stephen says "The Bible Society and its affiliates are an enormous organisation, extending across the world, and best known for offering the Bible to people who might never otherwise have the opportunity to read it in their own language. Their work is a particularly appropriate focus for giving in the year when we celebrate the 400th anniversary of the King James Bible and its enormous influence on the English-speaking world. This Appeal is an opportunity to encourage new and actively growing Chinese Christian congregations in their discovery of Scripture, and I urge you to support it generously. "

If you would like to give to the Bishop's Lent appeal you may do so by sending a cheque, made payable to 'Ely Diocesan Board of Finance' to the Bishop's Lent Appeal, Accounts Department, Bishop Woodford House, Barton Road, Ely CB7 4DX. If you are a UK Tax Payer please go to the website to download a Gift Aid form which allows the Appeal to reclaim the tax on your donations from the Government.

Cambridge
Oxfam Walk 2011
15th May 2011

5 February 2011

Please reply to:

Tania Mullins
2 James Street
Cambridge CB1 1HX
oxfamwalkvolunteer@email.com
01223 479689

Dear Oxfam Walk Supporter,

Oxfam Walk Sunday May 15th 2011 at Wimpole Hall

Thank you very much for your help in being a volunteer for previous Oxfam Walk(s). In 2010 the Walk raised over £27,000, and it is the largest fund raising event organised by volunteers for Oxfam. Each year a large number of people help both before and on the day to make a vital contribution to the success of the Walk. This year's Walk will again be raising money for Oxfam's Emergencies Fund.

We are again looking for volunteers to help us in the following areas:

- **Signing Teams:** to survey a section of the route a few weeks before the walk, and then put up signs to guide walkers on the day before the walk (Saturday 14th May).
- **Desk Marshals:** on the day of the Walk, in the Start/Finish tent to register walkers, and give them the information they need.
- **Route Marshals and Checkpoint Marshals:** on the day of the Walk, at strategic points on the routes, to help direct walkers and assist in case of problems.

Please contact me if you would like more information about any of these roles.

I hope very much that you will be able to spare some time to help in one or more of these – many of our volunteers work on a Signing Team *and* as a marshal! I use email for most communications with volunteers, and you can contact me at: oxfamwalkvolunteer@email.com giving me the information requested on the enclosed form. Please include all the relevant information you can now, as this will save me asking you for it later. If you offer to help as a Route Marshal, please let me know your mobile phone number, or tell me it is the same as last year.

If you prefer, you can phone me on 01223 479689 or return the form overleaf to the above address. You may like to marshal for a few hours on the day of the Walk and then complete one of the shorter walks. If you would like to do this please let me know when you reply.

Please confirm whether you can help or not by Monday February 21st 2011.

Finding enough volunteers to run the event is vital, and if you know of friends, neighbours or work colleagues who might like to contribute to the Walk in this way please ask them to contact me. All volunteers will be sent an information pack with everything they need to know in it.

There will be a free bus service provided by Stagecoach between the centre of Cambridge and Wimpole Hall or I may be able to arrange a lift for you.

Thank you and I look forward to hearing from you.

Best wishes,

Tania Mullins
