

Kingston Parish Council (KPC)
Minutes of Extraordinary Meeting held at 6.30pm
on 11th October 2024 at Kingston Village Hall

Parish Councillors present:

Sue Dalglish (SD), Julie Conder (JC), Miki Ellar (ME), Mark Nicholls (MN),
Paul Wheeler (PW),

Meeting commenced at 6.30pm

1. Apologies

None

2. Planning Application

Planning Application No 24/03621/HFUL – Old Farm House, Tinkers Lane, Kingston, Cambridgeshire.

The Councillors considered the application for alterations including 3 new windows, new bathrooms, stairs and new road access which relocated the access driveway away from the corner on Tinkers Lane to an area of straight road in Tinkers Lane.

This application was a re-submission of a previous application No 21/02337/HFUL that appears to have expired. It was felt that moving the entrance driveway to the straighter area of road away from the current corner location was a benefit for safety concerns. The council did not have any comments on the internal alterations suggested.

The council's decision was neutral.

SD will register this decision on-line.

3. Planning Application No 24/1098/TTCA – West View, Church Lane, Kingston, Cambridgeshire

As SD lives next to the property, she was not involved in the parish council discussions relating to this application and did not vote on this application.

The council discussed the application to carry out tree works to reduce the height and width of two trees – one at front of property and the other at the rear. As there are overhead cables in the area it was felt this work was beneficial.

The council's decision was support.

SD will register this decision on-line.

4. A.O.B.

JC outlined details of the Combined Authority’s current bus franchising consultation process. JC attended a meeting which was held to outline the process that is currently underway to consider the future funding and organisational structure of bus services in the area. It was highlighted that a system of franchising is being considered along with other options.

A questionnaire has been created to find out the views of residents and organisations in the area who will be affected. It was decided that an advert would be placed in the parish council magazine to make people aware of the consultation process and encourage them to complete the survey to ensure their views are part of the decision making process.

Meeting closed: 7.00pm
